

Sports Premium 2017-2018

What is the Sports Premium?

The Government continues to provide funding of £150 million per annum for academic to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

For the academic year 2017 -2018 the funding allocation has been changed. This year the school will receive additional funding in order to provide better opportunity for the pupils within the primary phase.

Funding this year will see schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil, therefore meaning that Alderman Knight School will receive **£16,310**

Possible uses for the funding include:

- hiring specialist PE teachers/qualified sports coaches to work alongside primary teachers when teaching PE
- new or additional sport clubs
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- providing places for pupils on after school sport clubs and holiday clubs

How does this affect Alderman Knight School?

In order to achieve this statement we plan to use the additional money to

- Provide a clear & structured PE curriculum which is consistent & sustainable.
- To improve the quality & consistency of provision of PE & help improve staff confidence in their delivery in order to improve levels and standards.
- To develop competitive sport within the school curriculum, provide more opportunities for extra -curricular sport.
- To develop the provision for Gifted & Talented pupils & ensure that ALL pupils are provided with a high quality PE curriculum.
- Provide continued swimming support to allow all pupils to access high quality swimming lessons in a dedicated environment.

Our intentions for the use of this funding to achieve our aims can be seen below.
