

Wednesday 29th April, 2020

Dear Pupils, Students and Parents/Carers,

Tweedy's School Games Challenge

I am writing to inform you that Gloucestershire's School Games and Tweedy the Clown have teamed up to create 'Tweedy's School Games Challenge'. Every week, Tweedy will publish tasks on Gloucestershire School Games' social media platforms for families and friends to participate in. Weekly challenges will be released via the following formats every Tuesday:

- Facebook- Gloucestershire School Games
- Instagram- gloucestershire_school_games
- Twitter- @glosschoolgames

Challenges will include everyday objects around your home so specialist equipment is not needed!

Participating is optional and it would be brilliant to see as many pupils from Alderman Knight School taking part! You can post your pictures and videos on Seesaw and, **with parental permission**, share them online using #TweedysGlosSchoolGames by 5pm the following Friday. If you do not want to share your video online then it is not compulsory.

At the end of each week, Gloucestershire School Games will release a weekly round-up including clips submitted during the week to be broadcast across the social media formats.

The weeks challenge has been uploaded to the Gloucestershire School Games social media already so please take a look!

Please do not hesitate to contact myself if you have any questions regarding this.

Yours sincerely

Stefan Hunt
Physical Education Teacher
