

Termly Overview for 4H

Subject & Teacher	Subject Overview	Subject specific key words to practise with your child
English Mr Hughes	The pupils will work through the BBC bitesize work for writing. They will develop their writing skills by learning how to use and identify nouns, adjectives, adverbs, pronouns and verbs to develop their sentence writing. All links to the website and activity sheets have been provided on the plan.	Adjective Adverb Verb Noun Pronoun
Maths Mr Hughes	The pupils are to work through their coursework on statistics. Additional work will be provided via Mymaths as well as worksheets placed on the google drive. There is a lesson plan to help with matching the worksheets to the objectives.	Graph Talley Average Frequency
Science Mr Hughes	The pupils will recap their learning from last term about energy and forces. Lesson material including videos and quizzes from the website Tig Tag have been provided on the medium term plan (MTP) as well as additional worksheets to support and extend pupils learning. Parents also have access to the sample exam paper from AQA and the questions relating to each topic have been stated for each area of learning. Pupils only need to answer the questions stated. They will need support from parents as the subject matter is complex. Parents also have access to additional resources from Tig Tag via the School's website.	Energy Energy transfer Resources Forces Speed Reaction time
ICT and Computing Mr Hughes	The pupils have the basic safety summary sheet to complete on google drive. Information to help them to complete the sections is in brackets and they will then replace that information with their answers or a picture. I recommend research via the internet using google to help complete the work.	Posture Information Safety
Art Miss Price	During online learning this term, pupils will be exploring two of the elements of art and design; colour and pattern. Pupils will continue learning about Vincent van Gogh during weeks 1 and 2; focusing on the lines, patterns and colours he used. In weeks 3, 4 and 5, pupils will learn about Aboriginal Art; concentrating on the symbols, patterns and colour used. Each week I will set a new task on Google Drive for this unit.	Pattern Colour Symbols Vincent van Gogh Aboriginal Art
DT Mr Hughes	The pupils have a project based upon designing a poster for a community event. All the worksheets are on the Google Drive and they are to use materials and equipment that they would have at home. For the examples of different posters I would recommend using newspaper or magazine clippings or google images. If there is not enough space on the front of the sheet then please use the back of the sheets	Advert Eye-catching Memorable Colourful

Subject & Teacher	Subject Overview	Subject specific key words to practise with your child
	provided. Please ensure your child's name and the date they do the work is clearly stated on the front of the sheets.	Bright Bold
Food Mr Hughes	The pupils have a project on Google Drive to do all about designing and creating their own pizzas. All of the worksheets are on the google drive in the cooking folder for 4H. I have also included a couple of recipes but please feel free to do your own. If your child does not like pizza please still make one as I am sure others in your home will enjoy it. They can also state what their favourite base, topping and sauce is even if it is not in the form of a pizza. Enjoy and happy cooking.	Safety Topping Base Sauce
PE Mr Hunt	In term 5 through their online learning opportunity, pupils will recap on topics taught throughout the year and the coaching points and rules involved for each sport. Pupils can then be given tasks they can complete at home to practise some of these skills. In term 6 pupils will be focusing on athletics. Pupils will cover running technique and style in a range of short, middle and long distance. They will also be experiencing different throwing events such as the javelin and shot-put and to finish they will focus on long and triple jumps	Head Carriage Throwing Action Flight Dipping for the Finish Line Approach
PSD Mr Hughes	Year 11's have their PSD catch-up work on the google drive to complete. Year 10s will work through individual rights and responsibilities to work through. The worksheets are on google drive and will have accompanying notes on how to complete.	Rights Responsibilities Support
Arts award (Drama) Miss Price	During online learning this term, pupils will be studying a unit about Superheroes, in which they will create their own Superhero character by thinking of a name, super power, and how their character walks and talks, design a costume for their character and design a mask. Pupils will also have the opportunity to create either a story or comic strip about their Superhero. Each week I will set a new task on Google Drive for this unit.	Character Costume Mask Comic strip Movement
RE Mr Hughes	Project work is on the Google Drive. It is all about Islam and its origins. PowerPoints and worksheets are provided and are clearly linked by objective number. Read through the PowerPoints first and then answer the questions on the worksheets. Instructions are clearly provided on the worksheets for guidance.	Muhammad Mecca 5 Pillars Salah Angel Gabriel
