

Week Beginning: 13<sup>th</sup> September 2021

Primary

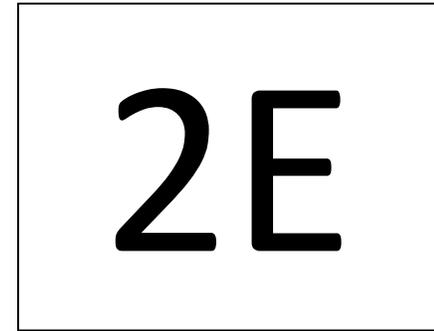

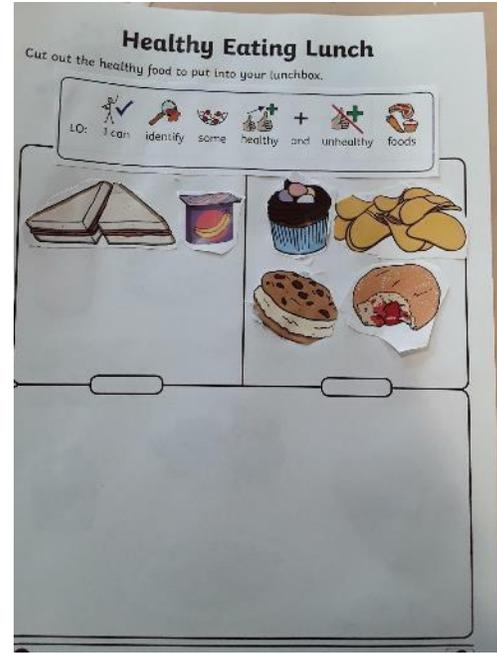

2B

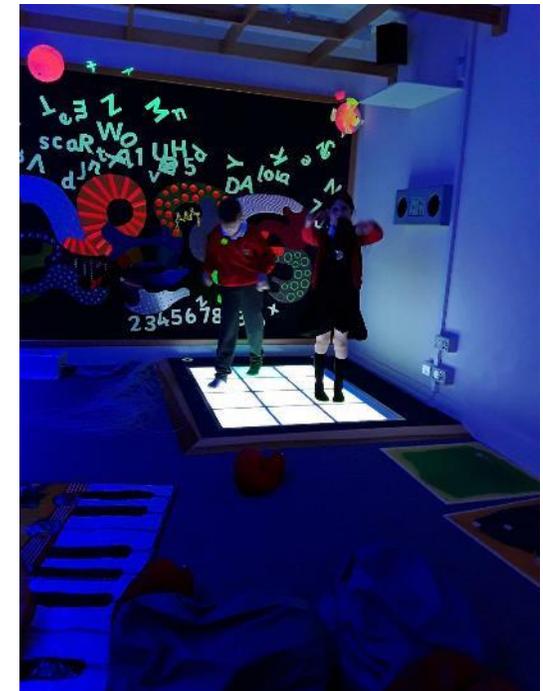

2B has had another excellent week. We had our first swimming lesson of the term, which they all really enjoyed.

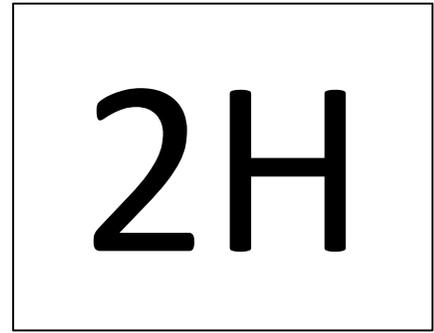

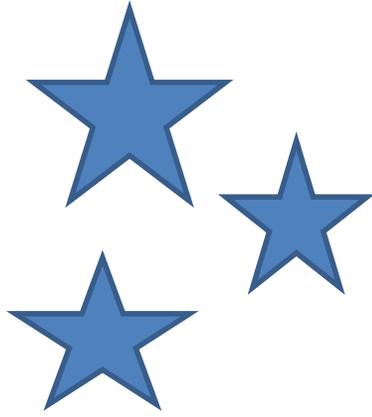

We have learnt about movement and balance in P.E. We were really impressed with the class skills.

In D.T we have started to look at the process of making puppets. 2B have designed their puppets and today they have looked at the various ways of how we can construct them. Well done for a busy week 2B.

Another great week for 2E! We went swimming which the children loved and earned lots of house points for super listening skills. We enjoyed time in the sensory room, learnt a new song in music called Loki the Joker, looked at what foods were healthy and unhealthy and made their ideal lunch box. 2E also worked in groups looking at objects that float and sink.

Another super week for 2H! 2H were very excited to be having their first swimming lesson this week. It was lovely to see them enjoying the water and they showed impeccable manners when leaving the pool and thanked the staff. PE was a great success as they pretended to be Pirates and had fun collecting treasure!  
Congratulations to Elliott who is our school council representative and Miley who is our peer mentor. Well done everyone!

Another great week in 2P! We have had a brilliant week in class and have been working really hard in all of our lessons. We have started swimming again this week and all of 2P showed brilliant listening skills and there was some great swimming!

2P

2P have had a super active week!

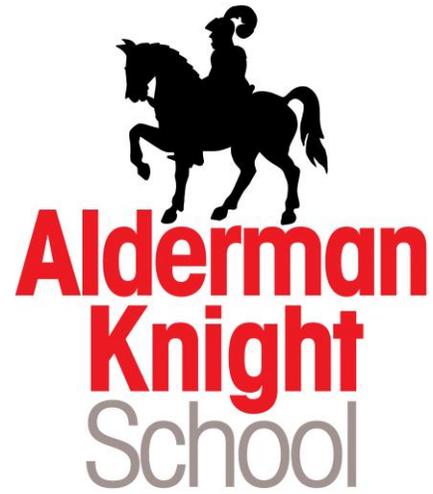

We have done some great hands-on science experiments this week all about sound

# 2R

An exciting week of extra curricular activities for 2R. |  
Everyone had a wonderful time and embraced all of these experiences |

Key Stage 3

Pupils were excited to use the new microscopes and to see a range of pre-prepared slides in Science. They enjoyed the session and treated the new equipment with special care.

We congratulate Kauto on being elected to the School Council to represent her peers; and Cassie Stokes for being elected Peer Mentor! Well done!

The group had a very productive discussion in PSD session, to decide on a list of Ground Rules. Everyone signed and agreed to follow them. Well done!

Everyone showed good understanding of the importance of health and safety rules in DT, Science and the Food room. Charley, Harvey and Chelsea showed particularly good knowledge and worked really hard.

All pupils completed their Maths and English tests!  
A great effort! Let's celebrate!

**In DT the pupils  
learnt how to use a  
sewing machine.**

**3B**

**In Drama, all the pupils had a great time  
travelling through time to the  
dinosaurs.**

**Stevie was  
incredible in goal  
during breaktimes.**

**3B had an amazing  
Food lesson cooking  
Tomato Spaghetti.**

Another fabulous week!  
Lots of exciting lessons  
as well as  
Alfie S's exciting news  
that his dog has had 2  
puppies!

3E

We took a trip to the  
world of  
the dinosaurs. We just  
about managed to get  
back in one piece.

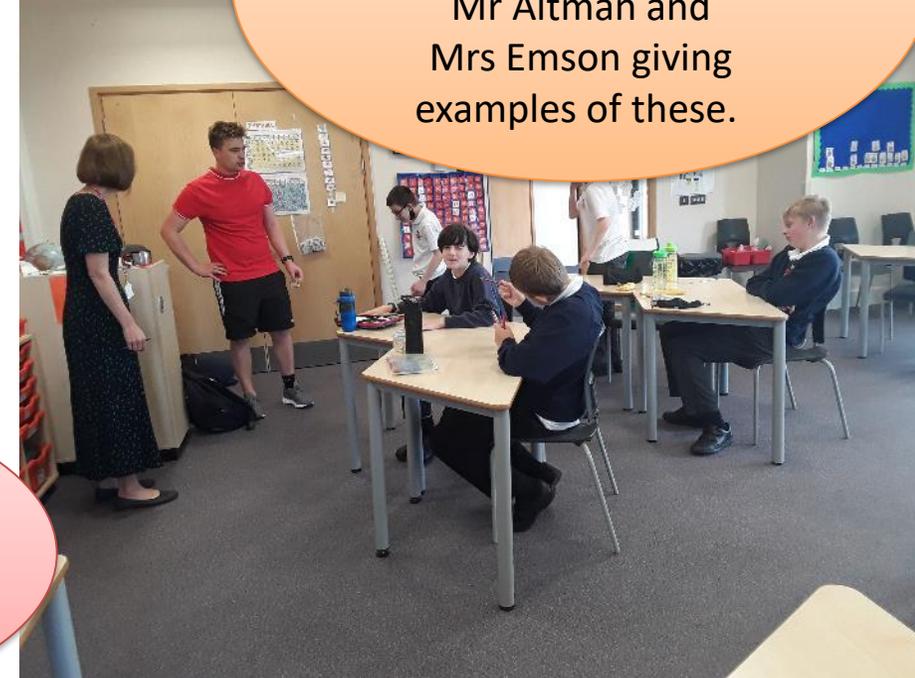

In PSD we learnt  
about healthy and  
unhealthy living with  
Mr Altman and  
Mrs Emson giving  
examples of these.

Over the weekend the  
cress has grown  
massively and is nearly  
fully grown!

At snack and lunch, we  
have started  
reading Harry Potter  
and the Philosopher's  
Stone together!

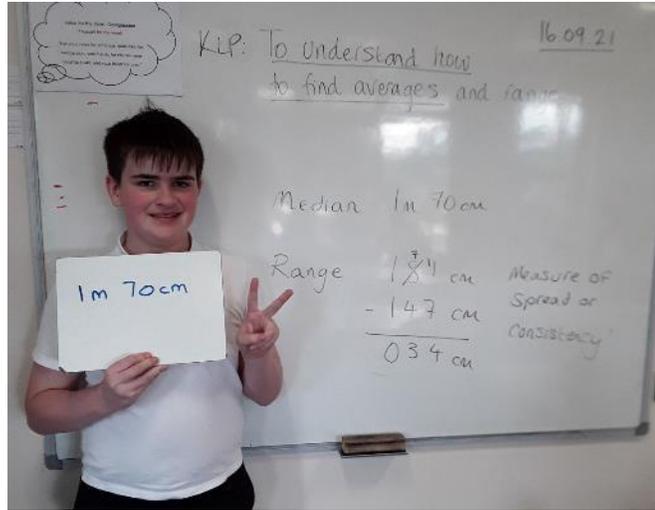

3G enjoyed today's Monster Manners PSD lesson very much.

They were excellent at choosing the correct well-behaved monsters.

Median height:  
We celebrated John O  
being median height  
for our class

We have had some great lessons this week including cooking our own chicken goujons. Delicious.

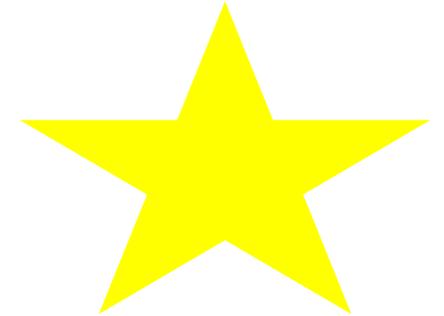

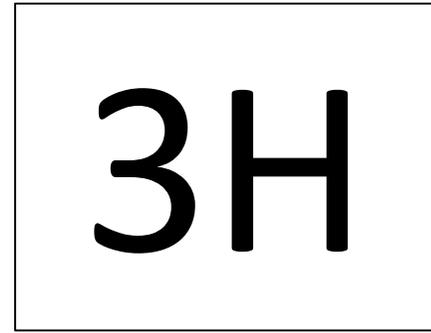

House point winner  
For this week is Hugo  
Castrey

Jess Hobbs has been  
chosen as our  
Peer Mentor

School Council  
representative  
has been voted as John  
Oldham

STAR OF THE WEEK  
James Ansett for showing  
more confidence in classes

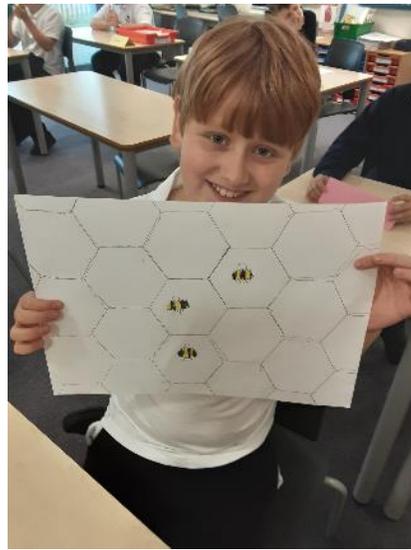

# 3L

We have had a good week and really enjoyed using the microscope to look at various objects such as house fly legs and onion skin!

In PSD we invited Mrs Steel and Mrs Shaw to our class and interviewed them as part of our Connect topic. We really enjoyed finding out new and interesting information about them!

A great week for 3M! We have had some fantastic lessons, and have started learning some very interesting things!

Well done 3M! We are very impressed with how well you are all doing!

# 3M

We really enjoyed our first afternoon of Enrichment today! Pupils got to choose activities to do - some of the options chosen were Rugby, Diamond Art, Young Voices, Cycling and 'STEM'!

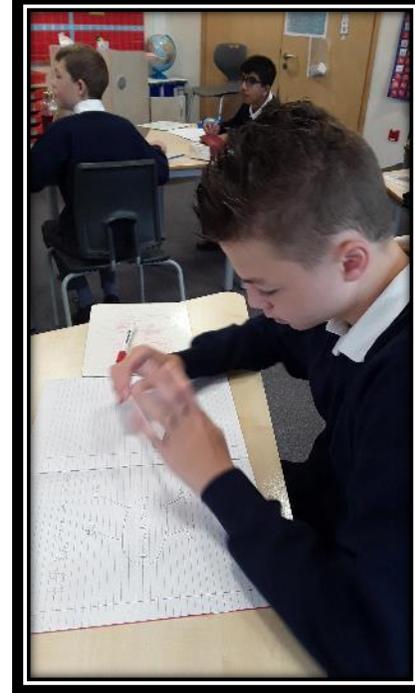

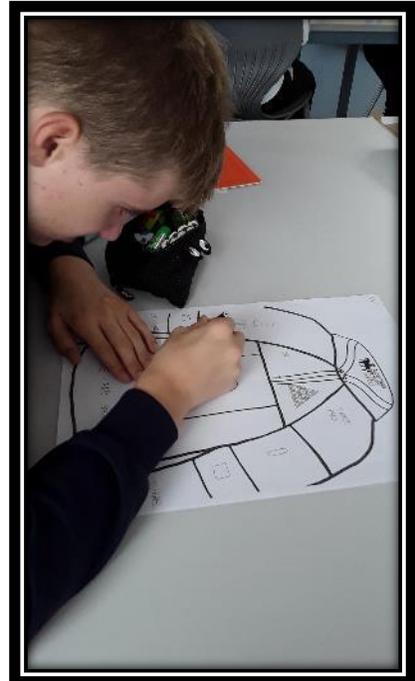

3M have thoroughly enjoyed PE with Mr Hunt, Science with Miss Watson and cooking with Miss Attenborough!

House Point Winner:  
**SAM!**

**3N**

**3N's Peer Mentor is  
Jagrit and School  
Council Rep is Adam.  
Congratulations to you  
both!**

**The children have been  
busy designing jumpers  
and t-shirts as a new front  
cover to their Art books.**

**Thank you Mr Bentley for a  
great introduction to 'The  
Romans' The children  
worked really hard creating  
a mind map of facts.**

We are learning about the elements of music and had a great lesson trying out pitch, dynamics and tempo.

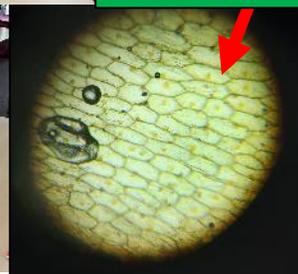

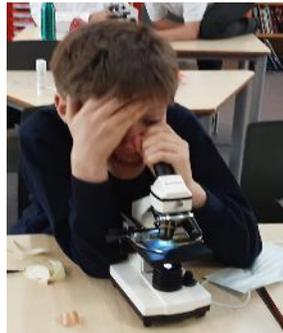

3P

House  
point  
winner  
**Crystal**

Tag rugby with 3H was great fun. We learned how to pass the ball backwards and practised our defensive skills.

In science we are learning about plant and animal cells. Here is a picture of the onion cells we viewed through the microscopes! Can you see the nucleus?

The children of 3P held an election and voted for who they wanted to be their peer mentor and represent them at school council.

Peer Mentor: Alex  
School Council representative:  
Taylor-Den

Everyone worked very hard in maths when we were using the iPads. We all completed some work independently and even earned some medals!

This week we are celebrating positive attitude and completed work.

35

Elliott followed the teacher's instructions and worked independently :)

Skye was very helpful-  
thank you!

Chris has managed  
to improve his Star  
Reading Test score!

Harrison did really well in  
IT!

Kai did lovely drawings.

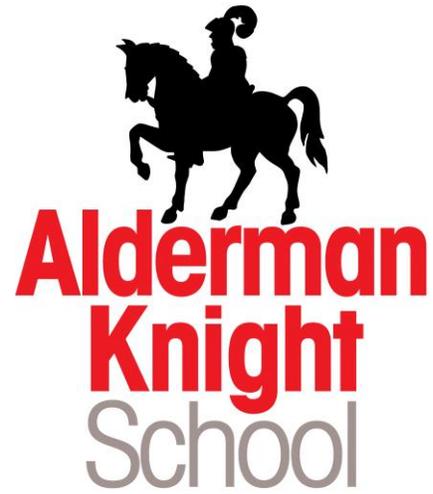

Lucas enjoyed boxing in PE.

Zac made good choices.

Olivia enjoyed chatting to  
her friends at break time.

Ava enjoyed doing circuits  
in PE!

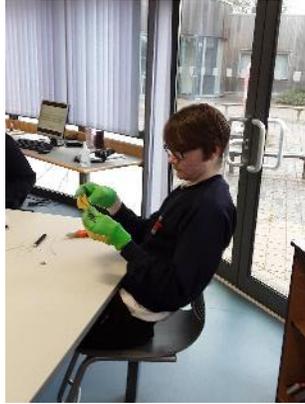

Key Stage 4

Congratulations to our new  
Tutor representatives:

Wilson is our School  
Council Representative.

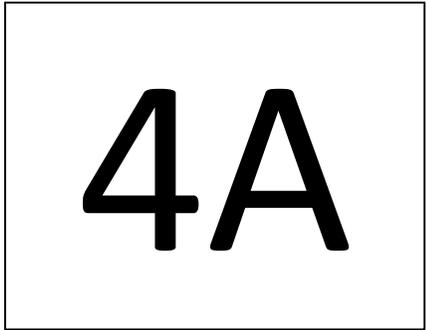

Ashton is our Peer Mentor.

Mrs Francis bought in her fossil collection for us to look at in Science. It was amazing to see how the different forms had been preserved over time. There was even a mammoth's tooth, dating back 50 million years!

House Point Winner this week is Christopher. During Sports Leadership, Christopher led a short session with 3G. He instructed them how to play a Boccai!

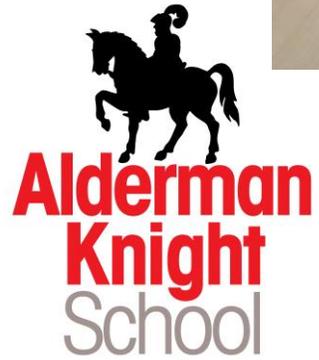

4B

4B have had another fantastic week. We welcomed back Riley and Erin.  
Highlights of this week have been gardening in Vocation and making marmalade muffins in Food.

School Council  
Max  
Peer Mentor  
Cai

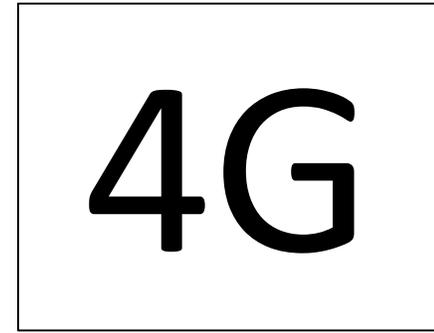

4C have been very busy. They have had a basketball skills lesson, had a very exciting Science lesson and met 5 mice !

4C

4G have had another great week in KS4! We have enjoyed getting our teeth into our new options and being in classes with 4O.

Highlights this week have been a fantastic circuits lesson in PE where lots of our young men enjoyed using boxing gloves on Mr Hunt!

Thomas is our house point winner so many congratulations to him for his great attitude to work this week!

4O have had another good week, and we are delighted to say that we now have lockers in the main school building, which will make it so much easier to get organised.

40

Some groups in 4G/O have started having homework set for them, and it's great to see the pupils being independent and taking responsibility for their own learning.

In other news this week: we're getting used to calling our Tutor by her new name, Ms Mullins (formerly Mrs Wardrop).

**Oran** has been elected as School Council Rep for 4O, and **Harry H** has been nominated as Peer Mentor. Well done to both!

The rain earlier in the week meant that everybody had to do PE inside. We had fitness stations set up around the hall including the cross trainer and boxing – boxing seemed to be the most popular!

Well done again to **Oran**, who is this week's House Point winner!

House Point Winner:  
India!

4R

When I asked the pupils what they most enjoyed about this week, nearly all said food and making marmalade muffins.

And the rest of the class said PE. Thank you to Mr Hunt and Mr Altman!

Another busy week for 4W, doing some amazing work in Maths. Miss Collier was really impressed with the way they completed their maths assessment. In English they have been learning all about superhero's and what makes someone a Hero in real life.

We have also enjoyed Science doing our experiment this week. Also having fun in our Music and Drama lessons too.

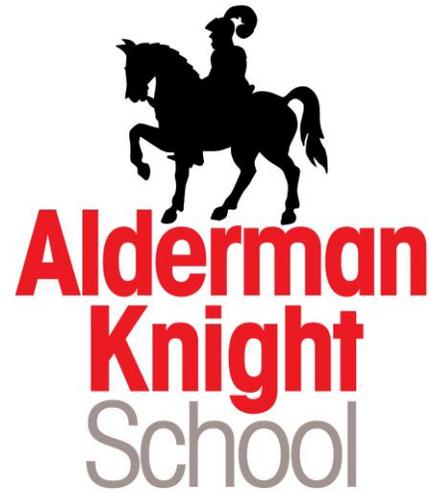

Our house point winner is... Ben!

We are all looking forward to our first Enrichment session on Friday. We have all chosen a variety of activities to take part in.

We really enjoyed our P.E. lessons doing circuits and playing basketball.

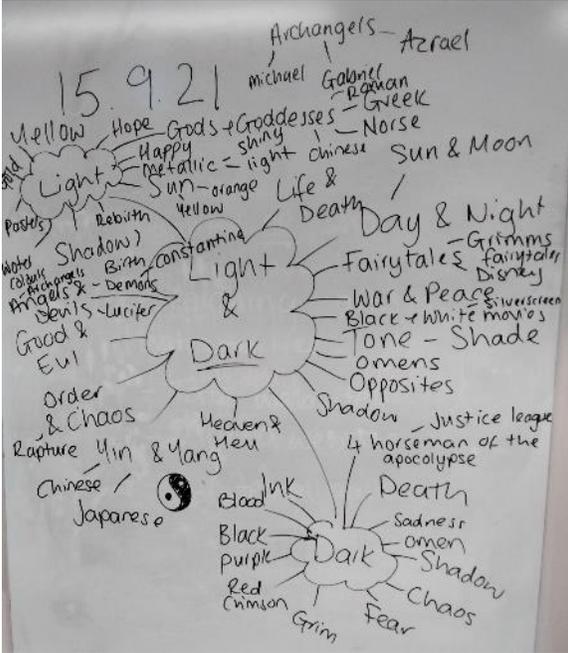

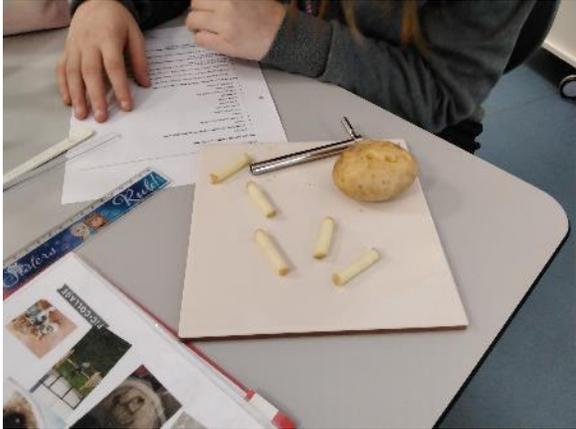

Post 16

Students enjoying Friday afternoon & celebrating the end of the week.

# Post - 16

In Art we started a new topic of LIGHT AND DARK - these are some of our ideas

GCSE Biology has got off to a great start with an osmosis experiment this week
