

Week Beginning: 4th October 2021

Primary

We've been SO lucky this week to explore Viking artefacts from a museum! We enjoyed trying on the helmets and holding the shield

HOUSE POINT WINNER IS JAYDEN!

We've done some experiments in Science this week!

2B

We've also had great fun making a start on our Viking longboats in DT!

Great Food lesson making coleslaw and practicing our cutting skills.

Another great week swimming for the boys!

2E have had a fantastic week!

We have continued to read How to Train your Dragon and have worked really hard writing some fantastic descriptions.

Our Viking Longboats are coming along nicely in DT!

In Topic we were very lucky and got to explore some Viking artefacts from a Musuem.

In science we have taken part in some experiments this week.

We have enjoyed carrying on our learning about Viking inspired music.

2E

House Point
Winner – NEVE!

Our House Point
Winner this week
is Georgie. Well
done!

2H have been working super hard this week... We have thought about making our sentences exciting by using exclamation marks and used them again when writing poems for National Poetry Day on October 7th. Some of the words we used in our poems about AKS were dreamy, fun, fantastic, cool, and great.

In music, 2H have been learning a new pirate song called 'Skull and Crossbones'. It is a super catchy tune!

We all enjoyed our mindfulness session on the playing field this week, where we used our senses to 'take notice' of the world around us. It was very relaxing and definitely something 2H would like to do again!

2H

A week with 2R...

2R

Our house point winner
this week is:

Charlie
C

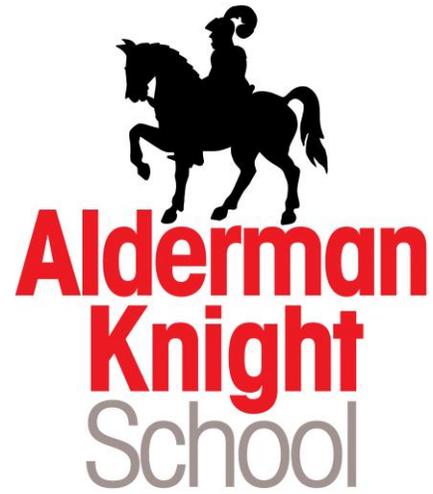

We really enjoyed our trip to Morrisons to buy our healthy snacks with our £1.

Well done 2R for impeccable manners and behaviour during the visit.

- We learnt about materials and discussed their appearance and how they felt to touch.

- We are doing so well learning our new songs in music with Mrs Lea.

- In Forest School we filled our treasure chests and made a large pirate ship collage with natural materials we had found.

Key Stage 3

Great week for our pupils! Lots of interesting, exciting, and enjoyable activities this week!

3A

Tutor PSD was on the importance of getting good sleep. This went beyond expectations! Pupils described how not enough sleep would affect people's emotional and physical state.

Pupils liked their extracurricular activities during Enrichment and sewing/quilting during break times!

You can see how well our pupils are working in Maths, Music, History and DT lessons; concentrating, listening, and absorbing information. Well done 3A!

Adriana has been working exceptionally hard this week! She is our house point winner and really deserves to be. Well done!

In both English and tutor time the pupils were learning how to write their own poetry!

3B

Yet again, another week of 3B being busy!

3B had a fantastic DT lesson this week, where they learned all about shading!

Star of the Week

Harrison

In drama we went back to ancient Greece and turned into some of the Gods!

3E

We are all loving reading *Private Peaceful* in English. The question is what happens next?!

House point winners are Alfie S and George W!

Throughout the week we have had loads of fantastic lessons including dissecting a chicken leg in science, cooking potato wedges in Food and painting with watercolors in art!!

3G have had another fun week. They loved the activities in P.E. practiced brushing their teeth for 2 minutes in one of our tutor sessions and in science they watched a chicken leg being dissected! They said it was disgusting but they all watched and learnt lots!

Another fantastic week in 3H, from Graffiti in DT, making bean burgers in cooking, learning about the circulation system in science, celebrating Poetry day yesterday and a whole lot of fun using our basketball skills, in PE.

We also carried on learning and extending our knowledge of volcanoes in geography and how the Celts and Romans lived.

Well done to HARVEY for
being our very well
deserved house point
winner this week!

3L

This week 3L
have worked hard
completing circuits in
PE, cooking Potato wedges
and using their design skills
to create Online
Safety posters

In Music we are leaning a new song called ' Just like a Roman'. We used the drums to follow the lyrics which was fun and loud!

3M

In Drama we travelled to ancient Egypt creating pyramid shapes

**House Point Winner:
RHYS!!!**

In Art we have been learning new techniques to improve our drawing skills

House point Winner:
Sam

3N

In Food we made Spicy Bean
Burgers.
They looked yummy!
Thank you Miss Briggs.

In Music this week we created
a class animal soundscape.

In Maths we are really enjoying
dancing along to our favourite
number songs!

Tutor Star:
Adam

3P

In English, we are reading 'The Secret Garden' and enjoyed discussing the different characters this week.

On Thursday, 3P had great fun writing poems to celebrate World Poetry Day.

Harley was a fantastic games master in drama and took us back to Ancient Greece. We mimed Olympic sports and then became Greek gods and goddesses!

House
point
winner
Millie

In science, we dissected a chicken leg to investigate the different tissues – a fascinating and memorable session!

We had a wonderful music lesson listening to 'Dawn Interlude' by Benjamin Britten. We explored graphic scores and some of us even had a go at drawing our own.

House point winner: Chris W!

Key Stage 4

PE

We have been practicing our skills in PE by playing 'Throwminton'. This has encouraged pupils to think about their body position and stance. We also observed some fantastic rallies when using the rackets.

4A

National Poetry Day 7th October

4A began by writing their own poems inspired by the theme 'Choosing to be Cheerful'.

At breaktime some pupils designed their own haiku.

In English, 4A planned and began to write their own poems filled with metaphors, similes, personification and alliteration.

House Point Winner
Ashton has worked really hard in PE. He has also made some fantastic contributions in class discussions.

House Point Winner.
Mac

4B

In Science 4B did an experiment with hydrochloric acid. Glad to see them all being safe and using safety goggles.

In DT 4B have completed their "Mood Boards" to help them create a cushion design. Lots of fantastic ideas and some really stunning work. Well done 4B.

4B are really enjoying Food at the moment. This week they cooked Leek & Potato Soup. Lots of chopping skills practise.

4C

4C have had such a busy week
From making a soundscape inspired
by the Carnival of the Animals, doing
exciting experiments in Science,
finding rhyming words in English and
learning to make a simple meal. It has
been a lot of fun.

4G

4G have had another busy week, completing our Agar plate experiment in Biology and seeing how effective antibiotics are at killing bacteria. In History there was a fantastic work ethic by our young men who spent their whole lesson quietly researching their Crime and Punishment topic. In Life-skills we are looking at the benefits of cardiovascular and flexible exercises and had a 'Joe Wicks' session to get our hearts pumping! Our house point winner this week is Charlie, who has made a great start to his GCSE music at Tewkesbury School and works diligently in all his lessons, so very well done Charlie!

40 are all settling in to their Enrichment choices, which are varied and include, Young Voices, Astronomy, PC rebuild and Lego club. As you can see, Harry C is particularly pleased with his choice of Drama – backstage and lighting. Here he is with his shoebox theatre, designing a set for a story he has written.

40

Although Chloe hasn't officially started her duties as a Young Leader yet, she is already using her initiative to help support other pupils; for example, chatting to younger pupils on the yard at break time and helping to demonstrate the throwing technique in basketball. Well done Chloe!

In Physics we've been learning about the way heat travels through an object. Here the class are acting out passing heat energy through a metal rod (small post-it notes rather than actual heat!)

Congratulations to Leo, who is this week's House Point winner!

Finally, we would like to wish Abraham all the best in his new class, 4R. We look forward to catching up with you at breaktimes and hearing how you're getting on!

House point winner
Kieron!

4R

4R are really enjoying their vocation lessons this term, they have said it is their favourite lesson!

A huge well done to John for initiating a football game with all the pupils from 4R!

We are so proud of the progress you have been making.

Well done John

The pupils have enjoyed a visit from a new member this week who will be joining 4R on Monday. It was lovely to see how friendly and welcoming the pupils were

Our House point winners
are
Daisy M and Sam

Fantastic cooking lesson,
they made some very
yummy pizzas!

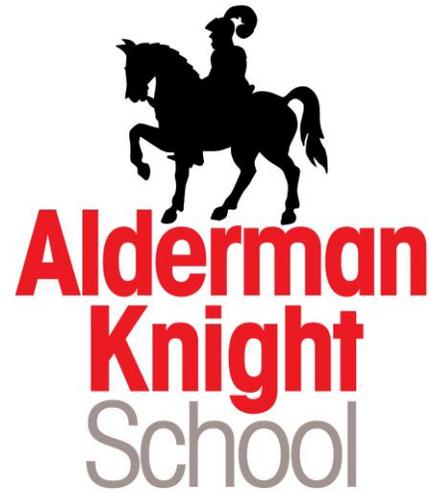

4W

We really enjoyed
our Drama lesson
this week, playing
'Simon says' and
acting out the
poem of 'The Owl
and the Pussy
Cat'.

We have also enjoyed our English lessons, writing our own superhero stories. In P.E. we have continued to work on our trampolining, and basketball skills. Music has also been lots of fun listening to pieces of music from the Carnival of Animals. We also picked some pears in our vocation lesson.

Post 16

Post - 16

P16 students really enjoyed helping out in Enrichment last Friday
